

APICS CLTD PROGRAM

CERTIFICATION ROAD MAP

The APICS Certified in Logistics, Transportation and Distribution (CLTD) designation expands the knowledge and skills of logistics professionals. By earning the CLTD, you learn how to implement innovative logistics strategies to reduce costs, increase customer satisfaction and perform at a higher level. Certification takes commitment of time and resources - here's a clear path to get you started.

1 Find out if the APICS CLTD program meets your education and training needs.

Visit apics.org/cltd for more information on the program.

2 Determine your eligibility for the CLTD certification exam.

CLTD approved candidates must meet **ONE** of the following eligibility requirements:

- 3 years of related business experience **OR**
- Bachelor's degree or international equivalent **OR**
- One of the following: CTL, CSCP, CPIM, CFPIM, CIRM, SCOR-P, C.P.M., CSM or CPSM designations.

3 Choose the APICS CLTD Learning System to prepare for the certification exam.

Developed by subject-matter experts, the APICS CLTD Learning System is a comprehensive resource that combines reading materials with interactive web-based study tools and covers the new *APICS CLTD Exam Content Manual (ECM)*. Learn more about the APICS CLTD Learning System at learncltd.com.

4 Decide on a learning experience that best fits your needs.

Flexible learning options make it easier to pursue certification.

- 1 **Self-directed format.** Study at your own pace, when it's convenient for you.
- 2 **Partner-led Study Groups.** Benefit from peer collaboration, group support, and a structured schedule to stay on track. Contact your local APICS partner to join a study group prior to instructor-led courses becoming available. Visit learncltd.com/classes-offered to find a partner near you.
- 3 **Corporate or independently-organized study groups.** Save money through volume discounts for groups of 2 or more. Contact Bobby Quickstad at bobbyq@learncltd.com to find out more.

Instructor-led courses through local APICS partners and Corporate/Group learning will be available January 2017.

5 Register for the APICS CLTD certification exam.

Take the exam between Oct. 1 and Dec 31, 2016 and benefit from introductory exam offers — See page 2. Select a testing location and complete an eligibility application. Eligibility applications must be received two weeks prior to the day you register for the exam.

6 Take the CLTD exam and become one of the first CLTDs!

Who can benefit from the CLTD?

Logistics professionals across all industries can benefit:

- Logistics managers/engineers
- Traffic managers
- Transportation/fleet managers
- Warehouse operations/distribution managers
- Reverse logistics managers

A free demo of the Learning System is available at learncltd.com/free-demo

CLTD Exam Information

Exam available Oct. 1, 2016.

- The CLTD exam is one computer-based test that consists of 150 multiple choice questions answered within 3.5 hours.
- The exam is available globally. Visit Pearson VUE at pearsonvue.com/apics.
- Schedule your exam within the six-month window that your Authorization to Test (ATT) is valid.

APICS Certified in Logistics, Transportation and Distribution CLTD LEARNING SYSTEM

The APICS CLTD Learning System is a professional development and certification exam preparation tool that combines reading materials with interactive web-based study tools to provide a customized learning experience. It consists of eight reading modules that reflect the new *APICS CLTD Exam Content Manual (ECM)* as well as online quizzes, tests, and study tools that ensure you stay on track, retain the information, and successfully prepare for the CLTD exam.

The new CLTD program has been created to support the expanding global logistics management profession.

Reading Materials
